

# GÖTTINGEN INTERCULTURAL CONNECTIONS

## GÖTTINGEN INTERCULTURAL CONNECTIONS: CONNECT, LEARN AND GROW INTERCULTURALLY!

*Do you want to meet people from all over the world, practice your English, or boost your intercultural skills? Then the virtual exchange programme “Göttingen Intercultural Connections” is just right for you!*

**The next workshop begins on 5 November 2025**

Göttingen International Connections (GIC) is an online workshop that brings together international and local students for seven highly interactive online sessions full of exchange, discussion, and collaboration.

What can you expect:

- Explore culture, stereotypes, campus life, and more
- Experience authentic intercultural encounters
- Strengthen your communication and collaboration skills
- Build global connections that last beyond the course

What will you practice:

- Cultural self-awareness
- Active listening and empathy
- Reflective thinking and presentation skills

Who is the programme for?

- Students planning a study abroad
- International (exchange) students in Göttingen (or planning to study in Göttingen)
- Students seeking an intercultural experience from home

What do participants say about the program?

*"This course built our social and language confidence, while feeling like you're sitting down for a cup of coffee with a bunch of friends. For anybody looking for a fun break from their usual courses, connecting with new people and learning about other cultures - this is the course for you!"* (Marie, participant in spring 2023)

Workshop details:

 : 5 Nov / 12 Nov / 19 Nov / 26 Nov / 3 Dec / 10 Dec / 17 Dec 2025

 : Wednesday, 12:30-14:00 CET

- seven online sessions held via Zoom (working microphone and camera required)
- short individual and group assignments in-between sessions
- certificate of participation, and possibility to obtain 3 ECTS for key competencies (for students enrolled at Göttingen University)

☒ Register [here](#) until 2 November 2025
