

The University of Exeter combines world-class research with high levels of student satisfaction at its campuses in Exeter and Cornwall, South-West England. Formed in 1955, the University has over 21,000 students from more than 130

different countries. Exeter is a leader in cutting-edge science, engineering, mathematics and medicine research and 98% of our research has been rated as of international quality.

The University of Exeter is proud to offer 10 full-time PhD scholarships in collaboration with China Scholarship Council (CSC) for Chinese students starting from the entry of the academic year 2019/20.

Scholarships are available for study in the following Schools and subjects:

**College of Life and Environmental Sciences (CLES)**

[www.exeter.ac.uk/lifesciences](http://www.exeter.ac.uk/lifesciences)

**College of Engineering, Mathematics and Physical Sciences (CEMPS)**

[www.exeter.ac.uk/emps](http://www.exeter.ac.uk/emps)

**Medical School (UEMS)**

[www.exeter.ac.uk/medicine](http://www.exeter.ac.uk/medicine)

**The Business School**

[www.exeter.ac.uk/business-school](http://www.exeter.ac.uk/business-school)

**College of Humanities**

[www.exeter.ac.uk/humanities](http://www.exeter.ac.uk/humanities)

**College of Social Sciences and International Studies**

[www.exeter.ac.uk/socialsciences](http://www.exeter.ac.uk/socialsciences)

**Note:** Applicants to other subjects may also be considered subject to the availability of relevant programmes of study and research at the University of Exeter.

**ELIGIBILITY**

1. Applicants must be citizens or permanent residents of the People's Republic of China at the time of application and intend to return to China upon completion of their studies at the University of Exeter.
2. Applicants should hold a Bachelors Degree from a university of good standing with an overall mark of 80% or above, or a Masters Degree.
3. Successful candidates will meet the relevant academic requirements as well as the English language proficiency requirements for entry into a PhD programme set out by the University of Exeter. Applicants are generally expected to have a score of IELTS 6.0 – 7.0 or equivalent. More information here: [www.exeter.ac.uk/postgraduate/apply/english](http://www.exeter.ac.uk/postgraduate/apply/english)
4. Candidates should also satisfy the selection criteria set out by CSC. Details can be found on the China Scholarship Council website: [www.csc.edu.cn](http://www.csc.edu.cn)

**FUNDING**

Full tuition fees of successful applicants will be covered by the relevant College/School at the University of Exeter. The China Scholarship Council will provide a living allowance (including the cost of a return flight from China to the UK, accommodation and subsistence) depending on applicant's eligibility.

## HOW TO APPLY

### Stage 1 Apply to the University of Exeter

1. Application guidelines are available online. More information can be found here [www.exeter.ac.uk/chinascholarship](http://www.exeter.ac.uk/chinascholarship). Applicants are advised to submit a direct application to the University of Exeter before the deadline of **7 January 2019**.
2. An unconditional offer letter will be issued to successful candidates by the University of Exeter.
3. The offer will clarify that the University of Exeter will cover the candidate's full tuition fees, subject to their obtaining CSC's support.

### Stage 2 Apply to China Scholarship Council (CSC)

Successful applicants will need to apply for CSC funding by following the guidelines specified at the China Scholarship Council.

## IMPORTANT DATES

**Monday 7 January 2019**

Deadline for receipt of application to College/Schools

**Thursday 28 February 2019**

Offer issue and receipt of College nominations

**May 2019**

Announcement of successful scholars
